

## !! Diversion for motorhomes and caravans that are HIGHER than 2.8 metres and/or HEAVIER than 3500 kg !!

There are currently height and weight restrictions for the **Pont de Fleurville**. This is the bridge (over the Saône) near the campsite. Vehicles **taller than 2.8 metres** and/or **heavier than 3500 kg** can therefore temporarily **NOT cross the bridge**. So measuring in advance is recommended (note airconditioning, parabola, antenna, etc.).

We have made a clear and safe diversion for you (+ 8 km / 10 minutes). It is minimally signposted so we recommend you have this description ready from the moment you leave the Autoroute A6.

### Diversions from Tournus to the campsite (arriving from the north)

Leave the Autoroute A6 at exit 27, towards Tournus. After the toll booth, follow the D906, through Tournus, towards Pont-de-Vaux. After about 3 km you will come to a junction with traffic lights (2nd photo). Just before the traffic lights, you will see the sign with the restrictions for the Pont de Fleurville (1st photo). At the traffic lights, turn left onto the D975, towards Lacrost / Déviation Pont-de-Vaux (yellow).

**!!! CAUTION: the diversion therefore applies not only to heavier than 3500 kg but ALSO to higher than 2.8 metres !!!**

Cross the bridge and continue to follow the D975 until the junction with the D37 (see photo above). At this junction, turn right onto the D37 towards Ratenelle / La Truchère.

Follow the D37 to the next junction with the D933 (see photo). Turn right at this junction onto the D933, towards Pont-de-Vaux / Sermoyer (the sign is on the right).

Follow the D933 to Pont-de-Vaux (you will pass the villages of Sermoyer and Arbigny on the way). Drive through Pont-de-Vaux (pass the first roundabout, pictured above) to the second roundabout (pictured left). At the second roundabout, take the first exit

to the D933A towards Fleurville / Tournus. **Note:** you can ignore the restriction signs here as you turn left before the bridge (with restrictions).

Follow the D933A for about 3.5 km. Just before the bridge, turn left to the campsite. **WELCOME !!!**
